CACFP Infant Meal Notification Letter

Dear Parent,

Our center participates in the **Child and Adult Care Food Program (CACFP)**, which is a federally funded program. Child care centers who participate in this program are reimbursed by USDA to help with the cost of serving nutritious meals that meet CACFP guidelines to all enrolled children. To fully meet CACFP requirements, this center is required to provide formula and all other required infant foods to enrolled infants until they turn one year of age. The center will claim reimbursement for your infant's meals when a meal contains only breast milk or iron-fortified infant formula regardless of who supplies it. The iron-fortified infant formula this center offers is/are:

Enfamil, Good Start, Nutramigen, Similac

Please note that the center will also introduce semi-solid foods to your infant according to the decisions made by you and your infant's physician. Other infant foods provided by this center include: iron-fortified infant cereal, enriched snack crackers, fruit and vegetables, and meat/meat alternatives. An infant menu is also developed jointly between parents and center, based on each individual infant's needs. Please complete, sign, and return the form to help our center meet compliance and receive maximum reimbursement.

2023-2024 CHILD AND ADULT CARE FOOD PROGRAM LETTER TO PARENT/PARTICIPANT

Dear Parent/Participant:

Our agency depends on Child and Adult Care Food Program funds to provide meals at no separate charge to all participants. Complete information is necessary in order to receive the maximum funds available through the United States Department of Agriculture. The information will serve as documentation that our enrolled participants are eligible for the Child and Adult Care Food Program. You may complete and submit one CACFP eligibility application for all participants from the same household that are enrolled for care with our agency.

Household members include everyone in your household (such as grandparents, other relatives, or friends who live with you) who share income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you. Once properly categorized for free or reduced price benefits, whether through income or by providing a current SNAP, FDPIR, or TANF case number (SNAP, FDPIR, SSI, or Medicaid case number for Adult Day Care Participants), you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within those eligibility standards.

The income that you report must be the total gross income received by all members of your household.

The "Eligibility Income Scale" for reduced-price meals is included in this letter for your information. If your income is less than or equal to these reduced- priced standards, the participant is eligible for free or reduced-price meals from the Child and Adult Care Food Program, which means increased reimbursement for our center and increased nutritional benefits for the participant.

Please complete, sign and return the form so that our center may receive maximum reimbursement. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. This form will be placed in our files and treated as confidential information. Your cooperation is vital and appreciated.
